PRINCESS ACADEMY TEA PARTY

Guests will receive hair glam and a sparkle tattoo upon arrival, enjoy games, a dance party, a group photo, and a beautifully styled tea party with real teacups, muffins, fruit, sparkly décor, and a magic wand to take home. Pizza (if added), dessert, and singing will take place at the beginning while tables are set for the tea party, followed by a princess craft of your choice (bracelet, lip gloss, or lotion, with an optional second craft for an additional cost) and a magical treasure hunt where everyone wins. Each child goes home with a cute goodie bag including their craft(s), treasure, and magic wand.

FASHION DESIGN

Guests will receive either hair glam or a sparkle tattoo upon arrival (your choice), then enjoy games, a dance party, and a group photo.

The group will create mini fashion mood boards and use them as inspiration to design outfits on their own mini mannequin using fabrics, gems, and accessories to take home. If food is added, the tables will be decorated with lots of sparkles to match the fashion theme.

BEAUTY BASH

Guests will go "shopping" for their own makeup to use and take home, enjoy games, a dance party, and a group photo. Tables will be set as glam beauty stations with mirrors, lip masks, cucumber eyes, and sparkly décor, where the Sparkle Team will lead a skincare and makeup lesson with tips and tricks. After the lesson, everyone will make a beauty bracelet. GLAM theme! Have a different theme? We can match it!

CAKE WAR

Guests will receive either hair glam or a sparkle tattoo upon arrival (your choice), then enjoy games, a dance party, and a group photo. Each child will decorate their own 6-inch cake with frosting, fondant, sprinkles, candy, and more to take home! Optional add-on: cake "war" where teams create themed designs and compete like a baking show, but everyone is a winner. If food time is added, the tables will be decorated with sparkles and décor to match the cake theme. We will sing and serve the "war cakes" if you choose to add those!

BATCH FROM SCRATCH

Guests will receive either hair glam or a sparkle tattoo upon arrival (your choice), then enjoy games, a dance party, and a group photo. The Sparkle Team will guide guests in making a body scrub or lip gloss from raw, natural ingredients, plus a Swirly-licious lotion with their choice of colors and scents to take home. If food time is added, tables will be decked out in sparkly décor.
